SaunaLife Cube Sauna Kit
Best Practices

Here are some great tips to share with your installer / electrician:

The sauna will come in a crate, delivered curbside by one of several different LTL (Less than Load) carriers. The shipment will leave our warehouse in Chicago, IL and be transferred to a long haul truck that will deliver it to the local delivery terminal for your area. Once your shipment has arrived at the local terminal, you will receive a call to schedule a specific delivery date that works for you.

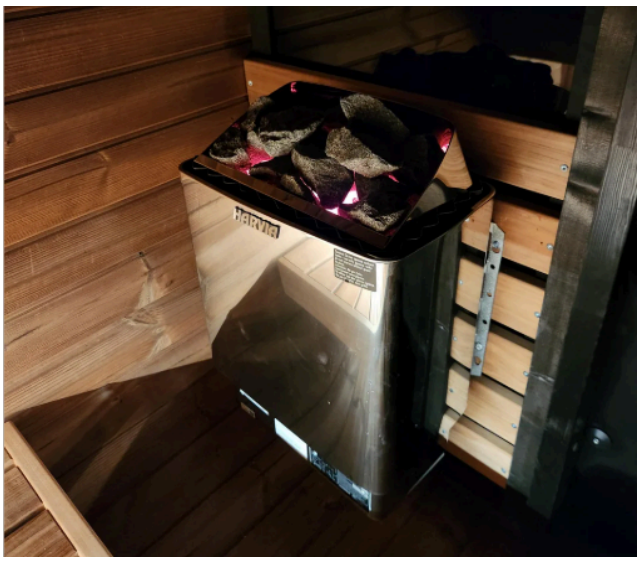

Shipping dimensions of each sauna differ:

SaunaLife CL4G 3 Person Sauna -
Shipping Dimensions: 80.7"W x 49.2"D x 82.7"H
Shipping Weight (Less Heater): 1415 lbs

SaunaLife CL5G 4 Person Sauna -
Shipping Dimensions: 80.7"W x 63"D x 82.7"H
Shipping Weight (Less Heater): 1680 lbs

SaunaLife CL7G 6 Person Sauna -
Shipping Dimensions: 91"W x 86.6"D x 93"H
Shipping Weight (Less Heater): 2040 lbs

Your sauna heater will be installed in one of two places depending on the sauna.
The CL4G and CL5G will have the heater in the front corner on either the floor, or mounted to the wooden slats against the glass as seen here:

With the larger, CL7G having the heater against the back wall:

Please find additional information on your specific SaunaLife sauna below:
